Kennedy Township Bocce League

4. T-Shirts. Do we want to get new T-shirts for all members at beginning of season?
 - i. **Dave Dinardo and Ryan Kaintz will bring samples/suggestions to the next meeting.**
5. Any openings for new players. Can we open up Monday night for new teams?
 - i. **There were no new openings identified at this meeting. Once team rosters and dues are reported at the next meeting, we will confirm any openings to current teams. There has been a lot of interest for additional players to the league with multiple teams requesting to play. A discussion on whether or not to open up Monday night was held with both pros and cons identified. This will be discussed again at next meeting.**
6. Court Preparation & Maintenance
 - i. **Dave Gasparovich will inspect the courts and identify what supplies will be required for maintenance for the year. We will need volunteers to help with the court maintenance sometime in April. Once dates are secured a request will be made for help.**
7. Schedules updated to ensure equal amount of early and late games for each team.
8. Annual Picnic. Help from each night to organize the annual picnic including selection of cater and setup of the pavilion for the event.
9. Meetings throughout the year.
 - i. **It is expected that each night's Commissioner will communicate any requests or facilitate any issues that arise throughout the season for each night. The Commissioners of the league will request a meeting as required throughout the season.**
5. League Rules
 - i. **There were no rule changes requested. A copy of the rules are posted in the bocce building at the park and also on the website. Copies are available on request so we don't have to pay for making copies for everyone in the league.**

There were 29 members present for the meeting with representatives from each night.
