 - c. Court Maintenance Update.

The Courts and end boards were levelled on Saturday. Existing stone was screened and there is remaining material currently covered near the storage building. Courts are in good shape for beginning of the season. Thanks to the volunteers from Tuesday and Thursday who showed up for the work detail to prepare the courts.

A reminder that no games should be played whenever there is water present on the courts. Do not attempt to brush the courts when water is present. This will avoid getting uneven areas on the playing surface. Games should be postponed until a later date.

Larger size scoreboards have been made and still need to be installed.

d. Court Relocation

There is no update or any further information available on the courts being re-located to the horse shoe pit area. There has been no formal communication to/from the Township Commissioners on this issue since it was discussed at the last meeting. Any further details will be communicated if they become available.

e. Shirts

There were 3 different sets of shirts and costs presented for consideration. Cost ranged from approx. \$9.00 - \$24.00 for different style shirts. After discussion, it was unanimously agreed by everyone to purchase tee shirts at a cost of \$10.00 each for member of the league for this year. Paul Smarra will coordinate with a local vendor to provide sample sizes for review during the first week of the season. Each team can then order the correct sizes for everyone. Plans are to have this done in the first few weeks of the season. Same logo to be used and shirt colors to be determined.
