2020 Agenda Items

1. League Play during COVID-19 Pandemic

There was discussion regarding whether or not to resume league play this season due to the COVID-19 pandemic. On Friday June 5th Allegheny County will be moving to the Green Phase of re-opening business and reducing social distancing rules and the Kennedy Commissioners are going to open up Fairhaven Park.

Chris DiNardo explained the guidelines to keep in compliance with the social distancing orders of the Governor and also the Township Commissioners. Rules to be followed:

- a. Face Masks must be worn by everyone
- b. Maintain 6ft social distance guidelines
- c. No food, beverages, or grill usage
- d. No tents to be used

After discussion and feedback by those in attendance, it was **agreed to begin league play** with the stipulations outlined. Each of the team captains will discuss with their respective teams and determine if there are any members not willing or able to participate. There will also be no 50/50 raffles held this year to minimize social contact with everyone. Attempts will be made to secure nitrile gloves and hand sanitizer for the courts.

2. Schedule

League play will begin the season with Week 6. **The first games will be Tuesday June 9th.** All games will continue to be scheduled to play at 6:00 PM and 7:30 PM as normal.
