Another team will be recruited to replace them. Dues to remain at \$20.00 per person. Roster and dues to be finalized prior to start of league play. Please turn in your dues and finalized rosters to each night's commissioner prior the first week of league play.

3. Court Preparation & Maintenance

Discussion was held regarding getting new aggregate for the court surfaces. Discussion was also held regarding re-installing the pits. After discussion, it was noted that there have been very few volunteers to maintain the courts and repairing the pits each year was a challenge; therefore, those who volunteered last year decided to remove the pits for ease of maintenance and also for safety concerns with stepping into and out of them. Dan Perry will coordinate with Dave Gasparovich and advise when a work detail will be scheduled to prepare the courts in the next couple of weeks. The score boards are also in need of update.

5. League Rules:

Discussion was held regarding removal of Pits and rules for in-play. It was mentioned that not everyone was playing according to the rules published last year. Ideas presented were to re-install the pits, paint lines to indicate balls out of play, make everything in play, keep the rules as they were last year. A majority of the vote was to keep the rules as they were last year. A copy of the rules will be provided to each team prior to the start of play.

Discussion was brought up about revising the team numbers in an effort to modify the start times. After discussion, majority agreed to leave the teams and schedules as-is.

Discussion was held regarding the number of players required for each game, especially in the playoffs. It was mentioned that certain teams do not play with four players which creates a disadvantage to the other team. After discussion, it was agreed to leave the rules as-is that indicate no one player will throw from the same end on consecutive games.

New sets of bocce balls will be ordered for this season as well as new tape measures for each court.

Next meeting will be held the week of April 25th to finalize team rosters and dues payment.
